Miracle Field AT ORCHARD PARK 4808 W. 9th St.

Wichita Park & Recreation is excited to present Miracle Field at Orchard Park. Miracle Field is a custom-designed baseball field for children and adults with disabilities. It's the first field of its kind in Kansas. Miracle Field offers those with disabilities a unique opportunity to enjoy America's favorite pastime and builds their confidence to participate in other sports.

While working in partnership with Wichita Public Schools, Wichita Park and Recreation became aware of more than 3,000 children with disabilities who would benefit from a specially designed baseball field that would meet their needs. As a result, Miracle Field was designed with smaller dimensions than standard baseball fields, with baselines and the pitching mound substantially closer together. The field also has a shorter distance from home plate to the center field fence to give players the opportunity of hitting the ball out of the park. One of Miracle Field's most important features is a smooth, cushioned rubberized surface that is completely flat and free of bumps or holes. This surface not only helps prevent players from getting injured but also eliminates any barriers to wheelchair, walker, or crutch-bound players.

The whole ball park also features an open and spacious environment with more accessibility and ease of movement than standard parks. This includes reserved seating in the bleachers for those in wheelchairs and dugouts that are roomy and easily accessible.

The colors at Miracle Field were picked to be harmonious with the National Miracle League Association and with the surroundings of Orchard Park. The field's surface is a subtle shade of green and brown which is suitable for individuals with color sensitivities.

Orchard Park offers parking on both the east and west sides of Orchard Recreation Center with a short walk on wide sidewalks to Miracle Field. Adjacent to Miracle Field is a playground, basketball and tennis courts that are ADA accessible. Orchard Recreation Center also offers an ADA accessible exercise room with specialized and adaptive equipment.

Miracle Field recently celebrated its opening day and is now open for future league opportunities. Call Mark Lowry, Director of Orchard Recreation Center at (316) 337-9244 for more information about establishing new leagues at Miracle Field.
